学園ポリーチェ

Gloom...
Ah...
Hey. I can't work with you sitting at my desk.
GLOOM...
Haaaa
STAND
Sorry, Midori-chan.
Haaaa

Because... even though I was able to make friends with Minmin...
I... HATE THE POLICE!!
Ever since she said that...
She's been ignoring me...
DEPRESSED
Even Tokiwa-chan has been acting awkward around me... I have no place left to go but here...
Haaaa
She is SO annoying...
You're the one who carelessly pulled out your notebook.
You have no one to blame but yourself for them finding out about the school police.
But... now I've lost my only friends at this school...
Well, I've only been here a short time, but...
No... I'm not sure you've lost them...
They're just shocked...
Huh?
Haa...
I...
Had no idea there were people who hated the police so much.

EEH?! NO WAY!
Why?!
Um, there are a lot of people who hate the police.
Were you joking?
.....
.....
.....
.....
Haa...
THAT'S NOT TRUE! THE POLICE ARE HEROES OF THE PEOPLE!!
Or because we have an arrogant attitude, or use too much force when making arrests...
But that's only if people are violating the law and being bad drivers, right?!
Or catch people speeding...
Because we do things like give tickets for parking violations...
...
...
gloom...
In that case, it must be that the only people who would hate the police...
Would be bad people, right?
But, for someone who's just a high schooler to hate the police so much...
Surely, she must have some kind of special reason?

Couldn't you ask her while Minaguchi-san was at the handicrafts club?
If I'm not mistaken, the handicrafts club has activities today.
Perhaps Tokiwa-san knows something about it? Why not ask her?
Tokiwa-chan is always with Minmin, so I never get a chance to talk with her alone.

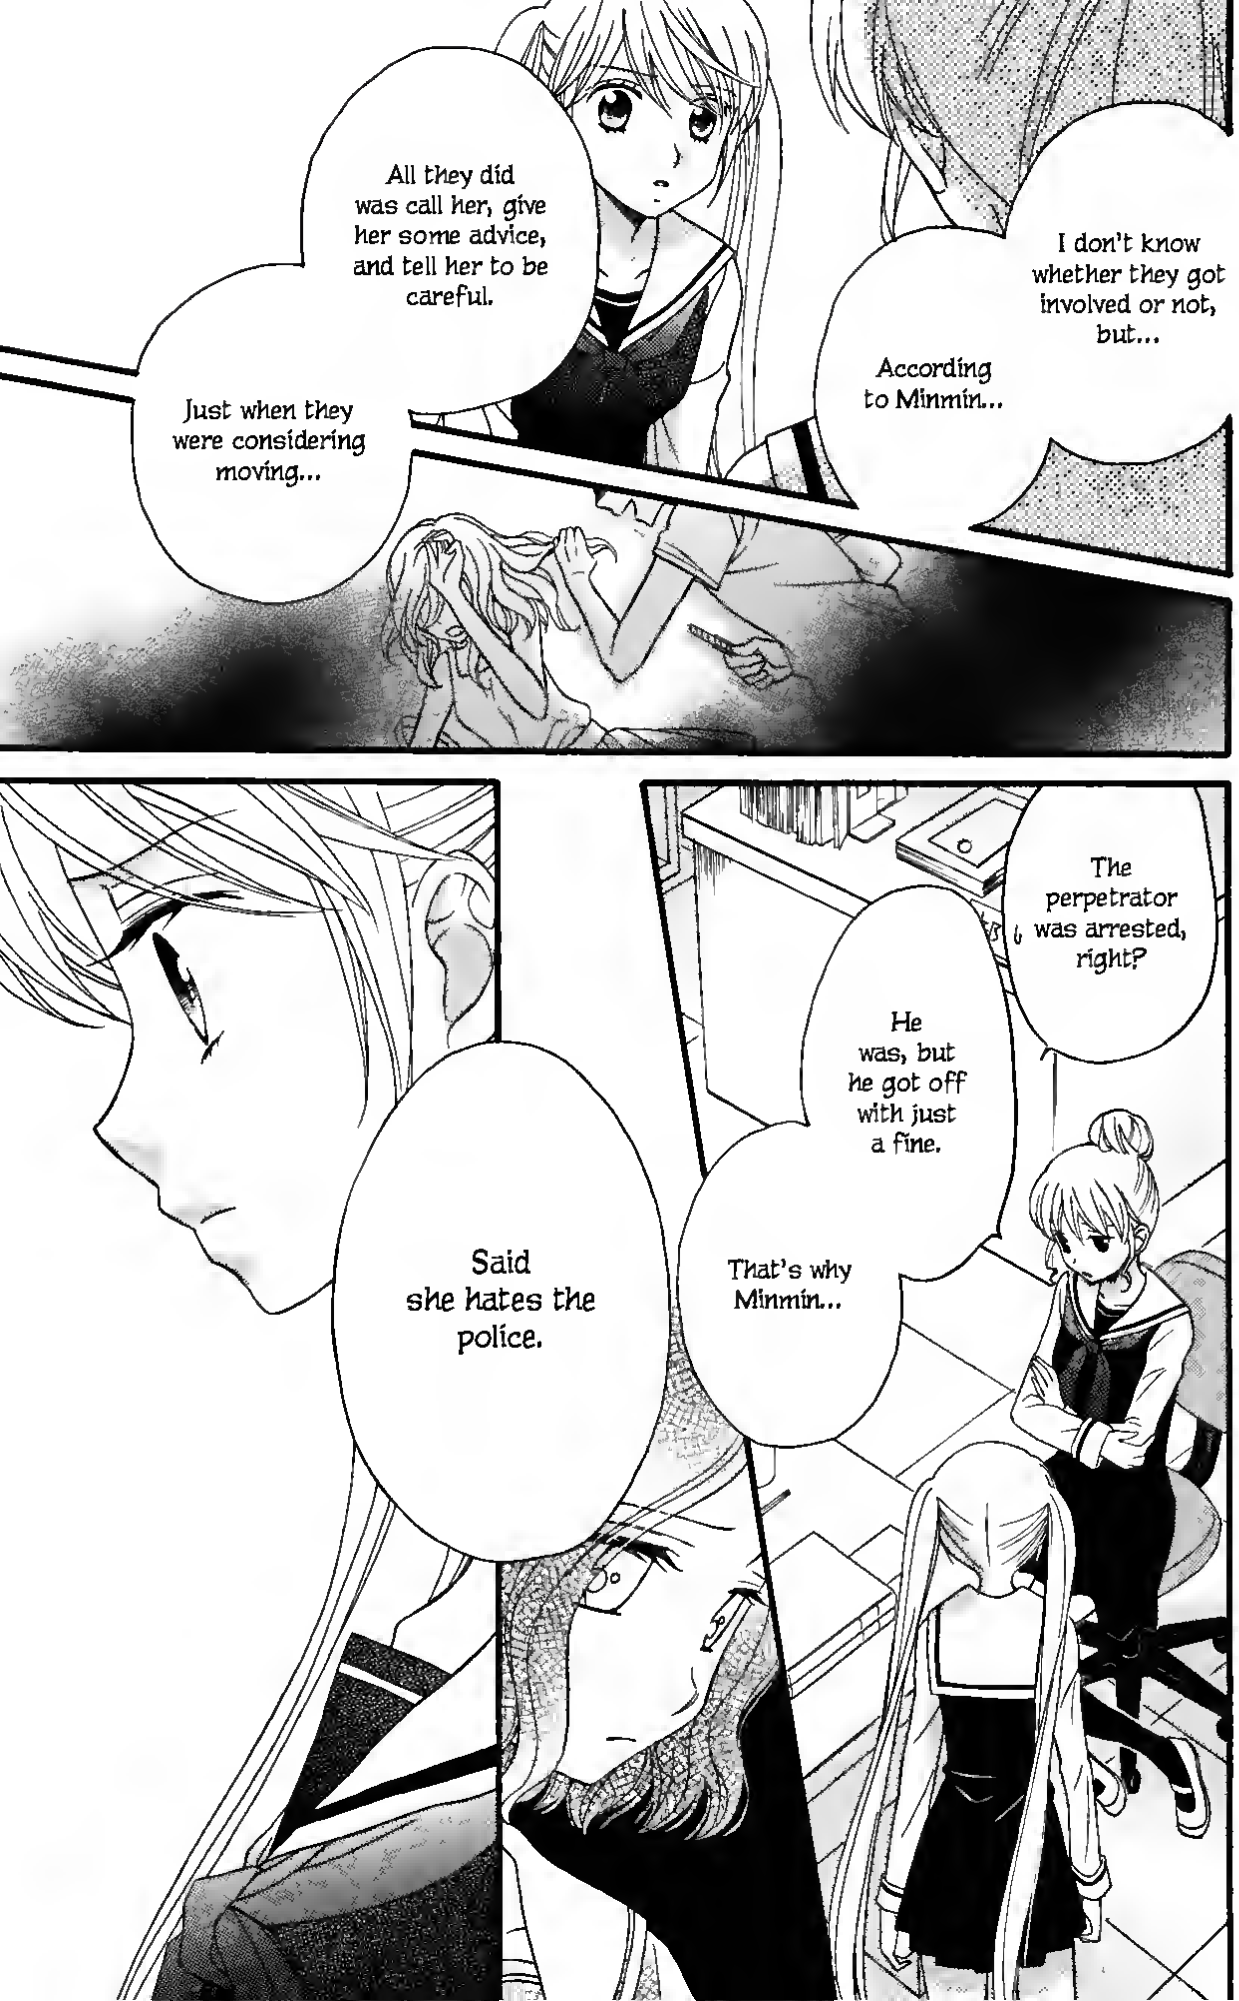
NEWSPAPER CLUB
Hanagaki Time
Well... I do know, but...
I don't really think it's okay to tell you without her permission...
Of course...
Gloomboo
Ah! But if you two could give me a scoop on the School Police...
I suppose I'd be willing to talk about it...
EEH?!
flip
Isn't that way too sneaky?!
It's not sneaky. It's just business.
...
Actually, it's outright corrupt!
Haa

In order to produce the "Principal's Cosplay Collection" article in last year's November issue of the Hanagaki Times, you created a duplicate key to the principal's office...
TRESPASSING, is that not?
Tokiwa Yukari-san, you...
Eh?
I'm not trying to threaten you or anything...
I just want to talk about BUSINESS.
I'm so sorryyy!!
I'm starting to understand people who hate the police a bit better, Midori-chan.
Wait... stealing? Don't blow it out of proportion! I just took some discarded misprints from the garbage can!
You then proceeded to steal the principal's personal property.
Eh?! N... no! The principal's office just happened to be unlocked when I was passing by!
No... just because they were changing doesn't mean I was peeping...
I'd heard their costumes were incredible and wanted to take a few photos...
And then... when you were collecting data for an article on the drama club's stage sets, you took PEEPING PHOTOS of the members while they were changing...
Minmin...
Has an older sister...
No!
STOP!
Moreover...
Wait... I never published those... or even showed them to the president... how do you know about that?!

Two years ago...
Sabbatical? Is she sick or something?
She's been on sabbatical for the past two years...
Right now, she should be a university student, but...
You can sit in these empty club member seats for now
Minmin's older sister's ex- boyfriend started stalking her.
He'd always harrass her on her way back home.
So she stopped going outside...
!!
AND THEY WENT TO THE POLICE, RIGHT?
It seems he attacked her, and the people in her neighborhood reported it right away.
SLAM
Yes. Several times, but...
They wouldn't get involved in a civil matter...
Eh? But...
Surely they would take action for stalking, right?!



All they did was call her, give her some advice, and tell her to be careful.
Just when they were considering moving...
According to Minmin...
I don't know whether they got involved or not, but...
The perpetrator was arrested, right?
He was, but he got off with just a fine.
That's why Minmin...
Said she hates the police.

It's often said...
That advice from police officers tends not to be very useful...
That may be true, but...
Even if the advice is correct...
It can be dangerous to do things like make audio recordings or collect mail for evidence.
Why is it...
Yes, I know.
We don't know what happened back then...
So we shouldn't criticize anyone.
But I know for sure that the police officer wouldn't just...
Ignore the girl's testimony.
That there's a gap...
Oh well... since that issue still isn't really settled, we can...
Between the reality...
And the ideal this girl wants to embrace...
HMPH!
First, we have to research how the case currently stands!
Even if she can't see it.

THAT'S WHAT TANBA TETSUROU SAID!
WHEN INFORMATION IS KEY, NOTHING IS USELESS!
.....
.....
.....
Tanba who?
X From G-Men '75
THE NEXT DAY.
Saitou.
Here.
Sakuraba.
Sakura-ba-san is away?
Sasami.
SILENCE...
Sasami-san is away too?
Maybe she's just late again...
I guess I should call her to the office to give her a warning next time.
...
We're looking for Iida Kazutoshi. 24 years old.

They went steady, but broke off after 2 months and he began following her around.
He has a restraining order, so let's see if he's keeping it first.
I see... that's a good idea...
But...
After dropping out of his previous university, this year he was accepted at Tokyo Denki University as a first-year student.
He and Minmin's older sister, Minaguchi Kanako-san, were originally coworkers at the same part-time job.
TOKYO DENKI UNIVERSITY
I knew it. Wearing our school uniforms out in the middle of the day, we stand out way too much...
We should find somewhere to change first...
Weird, isn't it?! I heard university was the kind of place anyone could waltz in without drawing attention.
Chatter
Chatter
Chatter...
Sailor uniforms
High school girls
Why are HS girls here?
More importantly, Midori-chan...
Eh?
She might be better than I thought...
She dug up this much information in a single day...

No... I'm not coming as a member of the School Police.
I just want to talk with some university students about my drawings.
Thanks for coming with me, Midori-chan!
Hehe
I thought you'd cut me off and get mad at me about chasing an issue outside the school.
I see. I see.
Research for your manga?
Somehow, I'm getting annoyed...
Ol

Chatter Chatter
Eh?
Isn't that him?
Eh?
WAI WAI
Chatter
That stalker jerk...
He'll probably look shady and otaku-ish...
With a gloomy face and no friends.
WAI WAI
Let's hide and watch that building
Ah. Class should be over.
They'll start coming out soon.
Sneak

shimmer
Hey, Iida. Headed to your part-time job?
No, I have today off.
Seriously?
ha ha ha
Ah. Iida-kun, are you coming to the party next week?
Sure, sounds good.
They have a new menu.
Want to go to the cafeteria?
Ah... I kind of have plans already...
Oh, a date with your girlfriend?
Well...
WAI WAI
Kya Kya
Normal-fag...
He's certainly enjoying university life...
Looks like he even has a girlfriend...
.....
We can tell Minaguchi-san that.
If he has someone new, then we no longer have to worry,
about him stalking Minaguchi-san's sister.
stand...

HEY!
Where did she...
Eh?
Well, let's go Aoba.
Huh? A high school girl?
Do you know her, Iida?
No, I don't know her...
Eh? Me?
Iida-san, right?
!!
About Minaguchi Kanako-san.
I'm here to talk with you.

So what's this about?
Do you two know Kanako?
You know I haven't bothered her in years, right?
So what's the matter?
Eh...
It's not so much a "matter"...
Um...
This idiot...

Drop
You...
I don't know what your problem is, but...
I couldn't care less about her anymore.
She could be dead for all I care, got it?
YOU THINK IT'S ENOUGH JUST TO SAY YOU HAVE NOTHING TO DO WITH HER?!
AFTER HURTING HER THE WAY YOU DID?!
GRAB
Huh?!

Look, you may have paid a fine, but...
Oh, I see!
pull
I've paid my fine.
I did what was required of me.
Even though I cut off contact with her and started a new life...
You won't let me live it?
SMACK

You're trying to blackmail me, aren't you.
I'll call the police.
?!
POL...
Pol. Pol.
AH!
Kazu-kun! I've been looking for you!
You didn't answer my text...
SHOCK

Shall we go?
They're just checking out schools because they'll be taking entrance exams next year.
Don't worry about them.
Huh? These girls are... high school students?
.....
.....
Annoy-ing...
I had wanted... to help Minmin, but...
I thought for sure Minmin would be so happy...
The other day... when we caught the crossdressing molester...
His new life has nothing to do with us... we don't really have a right to interfere...
Legally, he has paid the due for his crime.
I...

We'll have to change schools again in a month...
When the next personnel shuffle happens...
Even if they want to forget, they'll never be able to forget this pain...
My friend... her family...
Even though she's just a short-term friend...
I can't remember the classmates of my previous assignment
I can't even remember my partner's face anymore.
Watching her sister go through what she did... and then being molested...
She must have been living in more fear than I ever imagined...
But... there wasn't anything I was able to do for her...
I only remember the injury...
The slash to her chest...
The memory I want to forget.
Surely...

...!
Just as much as she does.
That man... Must want to forget...
That's...
That's... Just because he's free of the law...
Doesn't mean it's okay for him to forget that he hurt someone!
ding dong ding dong
HANEGAKI ALL GIRLS HIGH SCHOOL

Eh?
Ah. Aoba-chan?
You're right. Sakuraba-san was just away for one day...
Then came back the next.
Is she...
Taking all week off?
...
.....
.....
Eh?
Where?
ADMINISTRATION
If you're worried...
Should we go ask her?

CHAPTER 6 [END]

EEH?! NO WAY!
At least put Yuri into this series somehow!
Like Yukari x Mimmin!
Um, no credits gag this time. I was too busy with my Free doujin.
HazuMako needs more love, you know?
.....
